

PRESS RELEASE

Photographic association Imago is pleased to present:

AREZZO & FOTOGRAFIA
Biennial international photography festival
2nd - 11th december 2016
Arezzo

The sixth edition of "Arezzo & Fotografia", the International Photography Festival, will take place from Dec 2nd to 11th in the old town of Arezzo. The festival, supervised by the artistic director Fanny Raspini, is organized by the photographic association IMAGO.

The rich programme includes exhibitions, meetings, workshops, events, talks and discussions. The festival aims to promote the best of contemporary photography through the participation of succesful artists and new talents, the celebration of the greatest photographers and the rediscovery of historical catalogues.

It is an ambitious project and a cultural and personal journey. A desire to create and communicate through images that aims to engage audience at every level.

The city of Arezzo will be one of the protagonists of the festival: several authors' works and exhibitions will be hosted at various sites of the ancient town that can be discovered through its all beauties and secret places, some of them only open in occasion of this special event.
